TEE-OFF for a Great Cause! Charity Golf Tournament to Benefit Seniors in our Community

ElderHelp of North Idaho and NIAHU (www.iahu.org) are teaming up to host a \$1,000,000 Charity Shoot-out Golf Tournament.

COEUR D'ALENE, ID, June 1, 2009 – ElderHelp of North Idaho and the North Idaho Association of Health Underwriters will be hosting \$1,000,000 Charity Shoot-out Golf Tournament on August 21, 2009. The inaugural event will be held at Highlands Golf Course in Post Falls, Idaho, with a 1:30 p.m. shotgun start and scramble format.

Golfer's should save the date and plan on teeing-off for this great cause. The entry fee of \$100 includes green fees, a cart and awards dinner. There will be 1st, 2nd, 3rd and last place team prizes, plus a lot of other fun ways to win individual and team awards. Two golfers will have the chance to shoot for \$1,000,000.

"We are excited to be teaming up with NIAHU in hosting this golf tournament, which we hope to make an annual event," said Tom Lucas of ElderHelp. "Since 100% of the profits from this event benefit people in our community, local sponsors are already coming on board to help make it a fun tournament for the players."

All profits from the tournament will benefit ElderHelp of North Idaho and other local charities. ElderHelp and their team of volunteers has been working for more than five years in our community to help the elderly with limited income remain independent in the comfort and safety of their own homes. ElderHelp's projects include home repairs for senior citizens, providing firewood year round, finding ways to make homes safer and easily accessible for handicap seniors, providing companions, and doing other chores that seniors are unable to handle themselves.

For event information, sponsorship opportunities, and to register for the tournament, go to www.ElderHelpofNorthIdaho.org, or contact Dave Munger with NIAHU at (208) 660-3480.
