

Idaho AHU Accomplishments 2009-2010

By

**Dana Drake
2009-2010 IAHU President**

Here is a summary of the accomplishments for the 2009-2010 year:

- Re-vamped state sponsor program to be a January 1st through December 31st program. This needed to be done because it was causing carriers grief as their budget year follows above versus our old budget year of July 1st through June 30th. This will make it much easier for carriers to participate in the programs.
- Strong success on the State Newsletter.
- Putting into place 7 P&P's for the first time.
- Established job description for Executive Assistant
- All four local chapters now have a "local" award to present to a member at the IAHU Awards Banquet.
- Established a new annual award, the "Scott Leavitt Service Award"
- Successful awards banquet and health symposium at a new location.
- Established an understanding of what is expected of IAHU by the IRS.
- Silver Seal Certified
